

China Construction Bank Corporation, headquartered in Beijing, is a leading commercial bank in China. At the end of 2024, the Banks market capitalization ranked sixth among all listed banks in the world. The Bank ranks second in “Top 1000 World Banks Ranking” in 2024 by The Banker magazine and second in the “Top 500 Banking Brands” by Brand Finance.

China Construction Bank Frankfurt Branch was set up in September 1999. Holding a full banking license, the Branch provides banking services including Euro clearing, commercial loan and deposit, international settlement, trade finance, FX services, CNY cross-border services. With CCB’s global financial service network, the Branch could provide comprehensive banking services to European and Chinese customers.

We are looking to fill the following position as soon as possible:

Job Title: IT Administrator (Full-time), Operations Department

Location: Frankfurt am Main, Germany

Your Responsibilities:

- Ensuring smooth operation of the network and IT infrastructure;
- Monitoring and administering servers and operating systems;
- Serving as the point of contact for employees' technical concerns;
- Collaborating with external IT service providers;
- Supporting the implementation of IT security policies in compliance with regulatory requirements (e.g., BaFin, DORA);
- Successfully maintaining business continuity management.

Your Qualifications:

- Completed degree in computer science or a comparable qualification in the IT banking sector;
- At least 2 years of relevant professional experience in the banking environment;
- Strong knowledge of Windows Server, Active Directory, database systems, and network administration;
- Experience with IT security and data protection policies is desirable;
- Excellent written and spoken German and English skills;

- Strong communication skills and a proactive approach to engaging with colleagues and employees;
- Good time management and an understanding of priorities.

Our Offer:

- A dynamic role in an international banking environment with a high degree of independence and personal responsibility.
- The opportunity to contribute to shaping our IT department in the long term.
- A highly competitive compensation package with attractive social benefits.

Please send your meaningful application documents via email, including the job title, your earliest possible start date, and salary expectations, to: ccbff@ccbff.de. We will get in touch with you.
